#### **Twice Exceptional Children: What Parents need Educators to know**

In this Hui, we will delve into the question of 'What is a Twice Exceptional Child?'. We will discuss what it is that parents wish for us to know as educators, how we can best work alongside our 2E children and how their whanau experiences life with a Twice Exceptional Child.

### *Meet your Facilitator:*

Your facilitator is Hannah Carter

Hannah runs a one day per week gifted education program at her school called Insights and Innovations. She lives on a High Country Station near Wanaka, has a young family and works with gifted children from Years 4-6 at Hāwea Flat School. Hannah graduated University in 2009 with Bachelor of Arts, Major in Education, and Grad Dip in Primary Tchng. She has since had experience working with Accelerated and Enrichment teams in Christchurch, taught a variety of year levels and has recently completed the REACH Certificate in Gifted Education. Hannah is the GATE coordinator at her school and has a passion for helping teachers learn more about how to identify and cater for their highly creative, Twice Exceptional and mildly-highly gifted children
